DAZZLING DOOR CONTEST

BY JENNIFER BUZZEO

Let your love of fall show for all to see! We love the leaves falling, light sweaters, pumpkin everything and the slight chill in the air.

We love our fall colors of reds, yellows and oranges, special blooms like mums and crocus sprouting wild.

We love our fall festivals that fill the air with roasted corn, salted pretzels, warm

cider and cold beer. It's a joy to gather with friends and family to feast together.

We love our hayrides, bouncing through the corn maze, dizzy with wonder. Everyone grab hold as this pumpkin patch is full of ghouls and goblins. Time for a scream on the rolling haunted house.

We love our bonfires, flames high and

sparkling with tales of autumns past. Stories deep as our backs in Adirondack chairs, we listing intensely.

Most of all we love our residents that live full lives behind every door. To celebrate the season and your enthusiasm for the season we offer a special gift card to the **October Dazzling Door Contest WINNER!** Send all submission to: jbuzzeo@greenviewproperties.com
