*Veteran's Day, November 11th*

WE HONOR THOSE WHO SERVED

From its origins on November 11th 1919, formerly known as Armistice Day, in honor of "the eleventh hour of the eleventh day of the eleventh month". Today Veterans Day is commemorating Veterans of all wars. We encourage our neighbors to honor our heroes who have served and fallen in battle. Today, there are over 18.2 million living veterans.

BY JENNIFER BUZZEO

In recognition of veterans, Arlington Cemetery hosts an annual memorial service for the over 400,000 veterans with a grave site home at Arlington National Cemetery. For a local Veterans Day service, Calverton Cemetery will be hosting a memorial service at 1 pm in the assembly area.
